150 years anniversary meeting

In 2021 it is 150 years since the Geological Society of Sweden was founded. To commemorate this an anniversary meeting will be held in Uppsala 17–19 August 2021. We hope that the meeting will be of interest to all geoscientist that are active in Sweden or have an interest in Swedish geoscience.

**Important dates**
- April 30: Deadline for abstract submission.
- July 30: Deadline for registration.
- August 17–19: Meeting takes place in Uppsala.

**Venue**
Department of Earth Sciences, Uppsala University and the Geological Survey of Sweden, close to the city centre.

**Abstract submission**
Extended abstracts will be printed in a conference volume. See the web page for details on abstract submission.

**Registration**
Registration fees and online registration is found on the web page.

**Organising committee**
The meeting is organised jointly between the Geological Society of Sweden, Department of Earth Sciences at Uppsala University and the Geological Survey of Sweden.

**Hope to see you in Uppsala!**
